

1 August 1967

MEMORANDUM FOR: Secretary, China Task Force

SUBJECT: Contribution for China Task Force Newsletter

1. The Political Branch, Asia Division, FBIS, prepared a 54-page report listing the titles and pertinent publishing data for 192 Red Guard newspapers and periodicals published in Communist China. This listing was published in Foreign Press Digest: Far East, FPD 0672/67 of 11 July 1967.

2. [ ] Political Branch, AD, has been granted leave without pay for one year to study Chinese history at George Washington University. STAT

3. The FBIS Engineering Staff has designed a device that will automatically convert tape from Peking's NCNA English radioteletype transmissions into a tape capable of being used for direct transmission of material to FBIS Headquarters and lateral recipients without repunching by bureau teletypists. The device is expected to save considerable teletype operator time and speed the delivery to consumers of long NCNA English items. Operational tests have been completed at the [ ] Bureau, and solid state models of the device will be employed at the [ ] Bureaus. STAT
